SEASONS GREETINGS

At SVNC, we recognize the importance of being surrounded by family during the holiday season. For this reason we want to offer the opportunity for families to come together with their loved ones for a delicious festive meal. Two separate dates have been set aside for family bookings. The kitchen will prepare the festive meal and families will be seated in the Maple Room with their loved ones. The cost is \$5 per guest, payable at the front office. To allow all residents the opportunity to dine with loved ones we kindly ask that you book only two guests per resident. Should you be interested in joining us for one of these meals, we ask that you book a seat with your loved one for one of the dates listed below. You can make your bookings with Shelley at 519-323-2140 Ext. 25.

CHRISTMAS DINNER WITH FAMILY

(Please make your reservation by Nov. 30th)

2. Thursday, December 19th from 12-1PM

(Please make your reservation by Dec. 4th)

Should you wish to dine with your loved one on another date we kindly ask that you book your reservation at least two days in advance with the Food Service Manager at extension #24. Please be mindful that due to the increased volume of visitors during the holiday season we ask that you consider limiting dinner guests to a maximum of 2 guests per resident to allow all residents the opportunity to dine with their loved ones. Additionally, those wishing to book a common room for a get together are asked to do so between meal times. Please call ext. 24 to make your reservation
