Providing "Resident First" Care*

Chaplains Corner

We hope you have had the opportunity to meet our Chaplain Jason Snelgrove. He is here 2.5 days per week and shares his time between Long Term Care and Retirement for one on one meetings as well as holding services and Chaplain Chats in a group setting. He is in Retirement Tuesdays and LTC on Fridays. Feel free to contact him at x254 or by email at jsnelgrove@svch.ca.

**GREETINGS FROM
THE KITCHEN !**

Fall is such a wonderful time of year, especially from a culinary point of view. We will be ushering in our new fall menu during the month of September, along with a few fall-centric activities, including a fall fair on September 15th.

Culinary Quote of the Month

"Delicious Autumn. My very soul is wedded to it, and if I were a bird I would fly above earth seeking successive the Autumns."

Fun Fact about Autumn

- * In Greek mythology, Autumn began when Persephone was abducted by Hades to be the Queen of the Underworld. In distress Persephone's mother, Demeter (the goddess of the harvest), caused all the crops on Earth to die until her daughter was allowed to return, marking Spring.
- * Fall was called "harvest" because of the "harvest moon" that occurs when the full moon is closest to the autumn equinox. Before man-made lighting, this moonlight was essential to a prosperous harvest

From Administration

What a hot summer this one has been! We hope you all got to enjoy the sunshine. As the weather starts to cool down and be comfortable we will continue our outdoor walks and get a couple of more BBQs in before the end of the season. If you are visiting the Long Term Care side, the new entrance is now open and should be used. Thank you for all your patience during construction and using our temporary entrances. Thank you,
Tracie and Leslie

Environmental Department

Summer has come and gone too quickly. We have had a lovely one!

Construction is coming to an end on the LTC side. We are hoping to have it all completed by the end of September. It has been a long haul, but it went very well with all residents and staff helping ☺

A reminder to families bringing in clothing on our LTC side to follow procedure. Take the articles to the nursing station for them to fill out our form so that clothing does not get lost.

Our landscaping this summer has been going very well. We have had a few changes to our gardens and I hope you have all been able to enjoy them.

Remember if you have any concerns please feel free to contact me.

Regards,
Glenna

Services
