Re: TRUST ACCOUNTS

Just a reminder, Trust Accounts cannot go into a negative balance. The account must have adequate funds available in order for the resident to enjoy any of the extra or unfunded services such as: tuck shop, hair care, personal monies etc.

Please be sure to keep an eye on your loved ones account so that they will not run the risk of being denied an outing or services .

In Like A Lion, Out Like A Lamb?

by Lorie Hill

March roars in like a lion
So fierce,
The wind so cold,
It seems to pierce.

The month rolls on
And Spring draws near,
And March goes out
Like a lamb so dear.

NURSING DEPARTMENT

Care Conferences are booked for each resident approximately 6 weeks after admission and annually thereafter. Care conferences are held in the 2nd floor meeting room. Please RSVP to Kanika Kohli @ ext. 228. With each care conference, resident/family satisfaction surveys are mailed out. We would ask that you take a few minutes of your time to complete and return them as they are a valuable tool in providing feedback to us. We appreciate your input as it helps us to continue to improve and provide the best care possible. If you have completed your survey, thank you.
