Providing "Resident First" Care*

GREETINGS FROM THE KITCHEN !

Retirement

During the month of August our culinary activities will feature a Build Your Own Caesar Bar, a local craft beer tasting, History of the Hot Dog and a cooking demo in the friendship room. Hopefully the weather will cooperate for our final month of summer BBQ's!

Long Term Care

We have BBQ each Friday and hope, weather permitting, that we can do off the grill for each designated area. Just a reminder that you do not have to take the show plate as offered, you can mix and match all of the sides.

Culinary Quote of the Month

Long Term Care Department

The hot and muggy weather has certainly arrived! The long term care side has two courtyards as well as the second floor patio for you to enjoy during these warmer months. If the doors are locked when you wish to go out, please ask the Registered Nursing Staff for assistance... and remember to stay hydrated during these hot summer days.

Environmental Department

Hello to Everyone!

We have had quite a wide variety of weather so far this summer. The birds are singing, flowers are lovely and everyone seems to be smiling.

Please remember to make sure you have all food in baggies or sealed containers, this will help keep the pests away.

If you have any maintenance requests, please be sure to inform nursing staff so that they can log it in the maintenance book for completion. Requests are picked up Monday to Friday.

Thanks,
Glenna

Director of Environmental Services
