**Visiting Pets**

Our residents love it when you bring in your animals.

To keep both the animals safe and our residents, we request that you bring in their vaccination records.

Animals without vaccination records on file will be asked to leave.

Records can be brought to the front office or the nursing station.

Thank you for your cooperation.

Please feel free to contact Tracie Klish at 519.857.8088 or by email [tklisht@svch.ca](mailto:tklisht@svch.ca) with any questions or concerns you may have about Retirement living here with us at Kensington Village.

Happy New Year! We hope everyone had a great Christmas and wish you all the best in 2018!

Thanks to all who came out to enjoy the festivities around the Holidays. The Resident Christmas parties on both sides were huge successes! We are hoping to have the photos that were taken soon and we will get copies for everyone.

## "JUST A LITTLE GIGGLE"

While working the lunch shift at a local restaurant, I watched as an elderly couple ate. It seemed as if the man was the only one eating. First his appetizer, then his main, and then finally his dessert. All the while with his wife just looking on, not even touching her food. Confused, I approached the woman and asked if there was anything I could get for her. "No thank you," came her answer, "it's his turn for the teeth."
