SHARON VILLAGE CARE HOMES

Saugeen Valley Nursing Center

March 2015

Dear Friends at Saugeen Valley,

After 7 wonderful years at Saugeen Valley, I will be embarking on a new journey with the Waterloo Wellington Nurse Led Outreach Team. It is with mixed emotions that I announce my resignation from Saugeen Valley. I am very excited about this new experience and the opportunities it will present, however I am truly going to miss the friendships that I have been blessed with. I would like to take this time to say thank you for the wonderful memories over the years. I have been so fortunate to work in a place that has truly felt like home, with so many people who are like family. I look forward to being able to see familiar faces when I return from time to time to visit.

Warmest Regards, Alyssa

Donations Needs!

Recreation and BSO are looking for donations of towels and socks to be used for Montessori activities. Our residents feel a sense of purpose when they are able to do chore like activities. It is comforting to them and is a familiar activity they used to complete at home. Please bring in your unwanted socks and towels to Sheryl McTavish in the sunshine room or if you have any questions please contact me at ex 25.
