Dear Mother

As I look back on my life
I find myself wondering...
Did I remember to thank you
for all that you have done for me?

For all of the times you were by my side
to help me celebrate my successes
and accept my defeats?
Or for teaching me the value of hard work,
good judgement, courage, and honesty?

I wonder if I've ever thanked you for the simple things...the
laughter, smiles and quiet times we shared...

If I've forgotten to express my gratitude for any of these things, I
am thanking you now and want to express my love for you!
And I'm hoping that you've known all along
how very much you are appreciated!

Jennifer Naylor is our new Assistant Director of Care. She is an RPN with many years of experience in Long Term Care. She is married and has 3 children, 2 grandchildren and lives in Fergus. Her passion for nursing started with the birth of her first child and how caring the nurse was. She helped her feel confident with a new baby and spent time teaching her everything that she needed to know. The next time a nurse affected her was when her grandmother was in a very bad car accident and the nurses were patient and caring with her and the family. That is when she knew that she had to become a nurse. Jennifer is so happy to be working here, at Saugeen Valley Nursing Center and can't wait to get to know all of the residents.

With Sympathy for the loss of:

Diane McDougall &

Lenoard Moyer

You will be missed dearly!

The blanket warmer is here and up and running. The blankets are warmed to a therapeutic temperature and are used on residents for a number of different reasons. Warmed blankets have been known to benefit those residents who are experiencing pain, edema, anxiety, sleep problems, muscle tension and most importantly coldness. The blanket warmer is located on the 3rd floor in the tub room and can be accessed at any time by asking the Nursing staff. Thanks to the resident council for their wonderful fundraising efforts and thanks to all resident who assisted. If you need more information than you can speak with Heidi Dippel Behaviour Support PSW or Jennifer Naylor Assistant Director of Care and Behaviour Support Lead.
