New staff to Saugeen

We want to welcome Dane Mattaplackal (RPN) and Lori Ann McLean (Dietary). We hope that you enjoy your positions at Saugeen.

This year, the Resident Council, have come together with our Behaviour Support Ontario team to raise support for the purchase of a blanket warming station for the use and enjoyment of the entire resident community at Saugeen Valley Nursing Center.

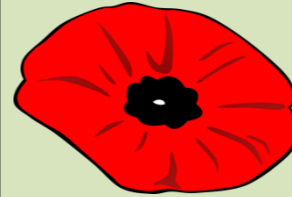

We are asking for monetary donations to support this drive. All money raised will be used to fund the purchase of a blanket warming station which benefits our entire home. Although BSO is supporting resident council with this endeavor, a warm blanket goes beyond helping those with responsive behaviours, including palliative, pain management and anxiety.

If you are interested in making a donation towards the purchase of the blanket warmer, you can submit to the resident council with memo note indicating it is to be put towards the blanket warmer or drop off cash donations to the front office.

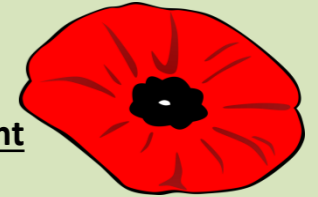

Feel free to give us a call at 519-323-2140 x 23 with any questions or concerns. We thank you in advance for your support!

Best Regards,
Heidi and Katie, Behavioural Support Ontario Team
