Residents Council has expressed an interest in creating a time capsule that can be placed in our new home. A time capsule program will be taking place on Monday January 29th and we are hoping that Residents that are unable to determine appropriate items to place in the time capsule the SDM will act on the residents behalf. Please bring in items to the sunshine room with the residents name on it by Monday January 22nd. Staff, residents, family members and friends are all encouraged to participate in bringing in a small item for this event. Once the time capsule has been placed in the new home a time will be determined on when the time capsule will be opened again.

Friends and family are welcome to share a meal with residents. Meal tickets are available at reception during business hours for a cost of \$5.00 a person. We want this to be an enjoyable experience for everyone so we are requiring 24 hr advanced notice for all meals. Due to our limited space within the home not all requests may be honoured. We will try our best to accommodate everyone. When inquiring, please indicate how many guests will be coming, and if you are requiring meal tickets or if you are bringing in your own food. To reserve your spot call Diane at ex 24 Monday to Friday 8-4 or ex 44 in the evenings and on weekends. If you have any questions please don't hesitate to call me at ex 24. Thanks, Diane
