Christmas & New Years:

The Christmas Season is fast approaching—if families are planning on taking their relative home over the holidays please provide the Unit Charge Nurse with sufficient notice to ensure that medications are available. A list will be posted at each unit to identify individuals going out over the holidays and expected return date.

Please remember that residents are permitted 48 hours casual leave, commencing on Sunday and a total of 21 vacation days during the calendar year. If you have taken your relative home for any vacation leave, please check with the Charge Nurse to ensure that sufficient days are left for 2015.

Flu Season:

There are confirmed influenza outbreaks within the community – as a reminder, if you or any member of your family have any of the following symptoms—Cough, fever, nasal congestion etc.) please refrain from visiting until you are clear of symptoms for 48 -72 hours.

Help to protect our residents.

The Staff and Management would like to wish everyone a safe and happy holiday season.

December was originally the 10th month of the year in the Roman Calendar. It gets its name from the Latin word “decem” which means tenth. However, when the Romans added January and February to the calendar, it became the 10th month. They still kept the name though.
