Who do I speak with when I have..... Questions, suggestions, concerns or just a comment:

You can also speak with Beatrice Dixon RN, Director of Care and/or Mary Jean Moso RN/Asst. Director of Care.

Nutritional Care: (food and fluid intake, menu items, weight changes...) Speak with the unit Charge Nurse or RN on duty, and/or Nilo Sivanandan, the Food Service Manager.

The Registered Dietitian (Iana Mologuina) is on site every Tuesday and Thursday (this may vary at times).

Laundry (lost clothing, labelling of clothing....) report any lost clothing items to the Charge Nurse or RN on duty, or Andrea Williams.

Environmental services (Housekeeping, Maintenance) – report any needed repairs to the Charge Nurse or RN on duty so the item can be logged. You can also speak with Andrea Williams (Asst Administrator) or Pat Bedford (Administrator)

Recreation Programs (outings, volunteering, recreation, spiritual...) speak with Shannon Sprung, Recreation Director

REMINDER – BRINGING FOOD ITEMS/SNACKS INTO HOME: Food items are attracting some unwanted pests.

If you are bringing food items in i.e. cookies, cakes, crackers etc. please ensure items are placed into a sealable container.

Please try to avoid food items that spoil quickly and easily and can not be placed in a sealable container i.e. bananas , fruits.

The Home does have a contracted Pest Control service and every effort is being made to ensure control and elimination of any unwanted pests. This does involve daily checks and cleaning by housekeeping, nursing and maintenance staff.

Your assistance in limiting food items or at least proper storage will help in the control and elimination.

During the summer months, food and drink items can and will attract other pests—working together will help us to control and eliminate any unwanted pests. Thank you

Farewell Chaz

We are sad to announce the retirement of one our favourite furry friends, Chaz. Chaz has been providing pet therapy for over 9 years at Tyndall. He has come weekly with his owner Sue Hicks to provide therapeutic visits to many of our residents who look forward to their visits. Chaz is over 10 now and it's time for his retirement. He will be greatly missed as will Sue and we thank them both for their time and dedication to the residents at Tyndall.

*We will miss you
