Providing "Resident First" Care*

**GREETINGS FROM THE KITCHEN !**

**Retirement**

Happy New Year! As we prepare to enter the 2019 calendar year the entire Retirement Culinary department would like to thank the residents and their families for their support throughout the year. We look forward to providing exciting and tasty events this upcoming year!

**LTC**

We will be looking at having an A & W whistle dog & root beer menu in January and a Chinese New Year menu for the first week February. Please bring any suggestions for that meal you might have to the family council.

**Culinary Quote of the Month**

"Food is everything we are. It's an extension of nationalist feeling, ethnic feeling, your personal history, your province, your region, your tribe, your grandma. It's inseparable from the get go."

# JANUARY

With the New Year upon us, a couple of little reminders for you and your loved ones.

Please keep an eye on your Trust account balances and make sure that there is always enough funds monthly to cover any spending money for activities, as well as hairdressing and foot care. If you have any questions, please contact the front office at ext. 221.

The last Monday of every month in **Retirement** we hold a Town Hall meeting. This gives everyone an opportunity to find out what is happening in the coming month as well as for Residents to provide feedback to the Department Directors regarding food, activities or anything that is on their mind. It is at 10:30am in the Chapel area. We look forward to you joining us.

## ENVIRONMENTAL DEPARTMENT

**Hello from the  
Environmental Department**

**Happy New Year !**

I hope you all had a lovely Christmas with your family. We have posted a sign for boots, when you come into the facility we are asking that you remove your boots, or put on the blue bootie covers we have provided.

This will ensure the safety for our residents and staff and help to keep the facility clean ☺

We thank you in advance for your co-operation.

Wishing all of you a very healthy and Happy New Year from the Environmental team at Kensington Village.

Any maintenance concerns please contact me at Ext. 277.

Regards, Glenna
