Residents, Families and Friends

Tyndall Seniors Village presently have the ability to access immediate Health Records by a web service called “Connecting Ontario”. This enables Doctors and Clinicians to share medical information in a Safe Secure Digital format that will improve care delivery.

Nurse Practitioner:

Lindsay Lessard NP RN (EC) will be joining the Tyndall team effective January 3, 2019

Prevent the Spread of Infection:

We are entering the season for “INFLUENZA” outbreaks. Families and visitors are reminded NOT TO VISIT if you or any family member are exhibiting cold or flu symptoms:

fever, cough, sniffles, nausea, vomiting or diarrhea. Please remain away from the Facility for at least 48 -72 hours without any symptoms.

HELP US TO PREVENT AN OUTBREAK AT TYNDALL.

Clothing:

If you have purchased clothing for your relative for Christmas, please remember that it will need to be labeled.

Clothing items should be left at the nursing station with the individual’s name pinned to it for staff to properly label before placing into the closet.
