

Earls Court Village *The Best Years Are Still To Come*

Administrative

We are pleased to announce that we have admitted new residents since December 27th, 2018 and continue to fill the home. We expect to open third floor on Tuesday, January 22nd, 2019.

We would also like to welcome our new Bookkeeper Hannah Hoa. Her office is located on the lower level. If you would like to contact her, she can be reached at extension 503.

As of January 11th, 2019, our Chaplain Judith Ritchie has left Earls Court Village. We certainly wish her all the best and thank her for her many years of service to the Home.

On behalf of the Management team, I would like to thank everyone for your support during this time and look forward to what 2019 has in store.

Resident Council Raffle Basket Fundraising

Between November 27th and December 24th, Resident Council ran their annual Raffle Basket Fundraising. Residents, staff, families and visitors had the opportunity to purchase one raffle ticket for \$2.00 or 3 for \$5.00. We would like to thank all residents, staff, families and visitors for supporting the Resident Council. Resident Council raised \$409.00.

The Building Side of Things...

We ask that family and friends use the shoe & boot protectors provided at the front entrance when coming into the home for a visit. This will limit any snow and salt collected on the floors which in turn keep the home cleaner and reduce any safety risk.

Family Council 2019

All meetings are at 6:30pm and held in the Earls Court Chapel, by the front entrance. Join us for our monthly meetings on the last Tuesday of every month.

Facility Services:

We would like to thank all families and friends for all the hand hygiene and washing practices that are being used to help keep the resident healthy and happy. Again, thank you for washing your hands and using the shoe covers when the weather is not its best. With a lot of new resident coming in, clothing is an important concern. When bringing in clothing please see the staff on the floor and request for them to be labelled. There is a form which staff will fill out and sent o the laundry department. Always have the clothing labelled as soon as possible so there will be less chance of the clothing going missing. If you have any questions or concerns, please call Dave, Director of Facility Services.
