### Residents, Families and Friends

**Telephone System:**

Over the past few months there has been some issues with the telephone system. We hope to have this rectified soon and apologize for any inconvenience.

**Family Council:**

Family Councils serve important functions by providing assistance, information and advice to residents, other family members and persons of importance to residents. Family Council can also work with management of the Home to make suggestions and/or recommendations relating to policy development, program development, environmental improvements or to raise concerns.

Under the Long Term Care Home Act and Regulation, Family Councils are not a requirement but there is an expectation that upon a request of any family member to establish a Family Council within the Home, that the Home will provide assistance.

Family members who wish to consider starting a Family Council at Tyndall Senior Village or just to provide general information please see me to discuss.

A Family Information meeting is scheduled for February 26, 2019 at 2pm
