Facility Services:

We at Earls Court, try to do our best with residents' laundry in a timely manner. Due to a few issues, resident's laundry may get placed in another resident's room. We have also come across situations whereby labels do fall off. We do have a lost and found cart that will be taken up to the floors on Fridays and over the weekend, for residents/family members/staff members to take a look it and identify items that belong to them. If you do find a personal piece of laundry, please go to the nurse's station and staff will fill out the triplicate "laundry to be labelled" form and will be sent back to laundry and be relabelled. If you have any questions or concerns, please call Dave, Director of Facility Services. Thank you for your patience and understanding!
