Providing "Resident First" Care*

GREETINGS FROM THE KITCHEN !

Retirement

We will be serving Thanksgiving dinner on Monday October 14th at 5:00pm. If you are planning on joining your loved one, please be advised that the deadline for ticket purchases will be Wednesday October 9th. Also, just a reminder that guests are always welcome, but we kindly ask for at least one hour notice and 24 hour notice for parties over 4 people.

Long Term Care

We brought in fresh corn from a local farm; and thank you to the residents who helped husk the corn...especially Joe J. and Phillip S. We are planning to do another corn husking the week of September 23rd.

I will be starting part time hours in October this year; please continue to contact me as usual. Rose Russell the Registered Dietitian, will be available for any nutritional concerns.

New menus for Winter/Spring should be introduced early in December. October is food service worker awareness month; please watch for the display!
