The Village Chronicle

From the Facility Services Department

We continue to ask for family members' help in ensuring that all clothing and personal items in resident rooms belong to the resident. When you are visiting your loved one, please take time to check that there are no clothing items that belong to someone else. If you find items that belong to another resident, please give them to staff. Please understand that we are not responsible for lost, missing, stolen or damaged items. If you have any questions, please see a member of the management team. Thank you.

Donuts for Dementia Update

We are very proud to announce that we raised a total of $676.00 for the Alzheimer Society of London and Middlesex. Thank you to everyone who purchased donuts and helped to spread the word!

From the Nursing Department

Visiting Your Family During Meal Times

We encourage family and friends to visit residents here regularly and we enjoy having so many visitors in the home. It truly enlivens the home and the daily lives of the residents. When you are visiting during meal times, please take advantage of the Harvest Kitchen rooms and the lounge areas. Having family members in the dining rooms during meals can be a hindrance to a peaceful and organized dining experience for other residents.

To reserve a Harvest Kitchen room, please use the calendars posted outside of the rooms on each floor. Lounge areas may be used by any family or friends visiting. Please join your loved one in either of these spaces when visiting during meals.

We also ask family and visitors to please not help themselves to the snack carts and beverage carts, and to wait your turn for service during meals and snacks. When staff's workflow and organization is disrupted, this can lead to delays in service. It is also an issue of infection control when those who are not staff are involved in food and beverage service.

We thank you for your understanding and patience. If you have any questions, please see our Director of Care, Lisa Collins.

Flu Season

The flu season is still here. We ask that anyone with cold or flu symptoms refrain from visiting until you are clear of any symptoms for a minimum of 48 hours. This helps to ensure our residents and staff stay healthy.

New Spiritual Programs

In the fall we welcomed Vicki Whelan, our new Spiritual Care Coordinator, to Earls Court. Vicki has started offering new group programs to residents, including a Bible Study group and a Prayer Circle for residents to receive mutual support. In March we are also starting monthly services with the Anglican Church. If you have questions, please see Heather Graham, or email Vicki at vwhelan@svch.ca

Family Council Meetings

All family members and POA's are welcome to attend our monthly meetings on the last Tuesday of every month.

Next Meeting

Tuesday, March 31st at 6:30pm
