

Accessibility For Persons with Disabilities Barrier Assessment Form

Tyndall Seniors Village is dedicated to fostering an inclusive, barrier-free environment where people of all abilities can co-exist in every area of our Home.

Purpose: This document employs a plan-of-action framework to help identify barriers and address them accordingly.

Legend: Green- Action items that are amendable (short-term)

Blue – Action items that will be amended with the construction of our new facility (long-term)

White- No identified deficiencies.

| Problems identified | Action (s) | Accountability | Target Date (s) | Additional Comments/Suggestions | | |
